Advert for Level 2 Coach

Tynemouth Amateur Swimming Club in North Tyneside is recruiting a part-time squad coach to develop swimmers at county level, working towards regional level.

This is a great opportunity for an individual looking to develop their coaching career within a top performing club. The successful candidate will work alongside the Performance Coach, Club Manager and a team of qualified swimming teachers.

We are inviting applicants from coaches who hold a Level 2 qualification and have a proven track record of coaching club swimmers.

The Club:

Tynemouth ASC is the oldest club in the area, boasting a highly competitive performance swimming team, along with Masters and a full Learn to Swim programme. With pool time across 4 pools, we are largely based at Tynemouth Swimming Pool on the outskirts of North Shields, where we have regular morning, evening and weekend access to a 6-lane competitive 25m pool. TASC was represented by several swimmers at the recent summer nationals, achieving 4 gold medals. We also have an increasing pool of swimmers achieving county and regional times, with a constant flow of talent coming through from our teaching groups. TASC made it to last years junior league national final and have won all of our heats so far this year. Currently the club has over 300 active members.

The Role:

The successful candidate will be responsible for the development and delivery of a training programme which caters to the needs of swimmers either at or close to county level. Your remit will be to develop the swimmers to achieve county success and hopefully push through to regional level. This is a challenging yet rewarding role, helping to shape the future of the clubs most talented young competitive swimmers.

The candidate:

We are looking for a part- time Squad Coach with a passion for helping a community-based club grow, proven experience in coaching swimmers at a county level and the skills to support us and our swimmers to reach full potential.

You should be Level 2 coaching qualified with a proven track record of delivering a training programme which supports swimmers of all ages. The ability to plan and adapt to the requirements of individual swimmers in a group environment is crucial.

The ideal candidate will need to demonstrate a strong ability to coach all ages of swimmers, be a serious team player and clearly show their love of coaching swimming. They should be driven and knowledgeable, whilst possessing the ability to communicate effectively with swimmers, coaches, teachers and parents to an excellent level.

“Tynemouth ASC provides a safe, fun and friendly environment, coupled with expert teaching and coaching, which enables each swimmer to realise their full potential”

The candidate will need to actively demonstrate a willingness to maintain an up to date knowledge of swimming coaching.

All applications should be submitted to secretary@tynemouthasc.co.uk along with a copy of a relevant CV and a covering letter.
