

Dear coach,

We are excited to share that it is not long until our next coach CPD opportunity, which takes place between the 24th and 31st August. We would love to welcome you to one of our stops for the AP Race Clinics Summer Tour 2024, which take place at a range of locations around the UK. These FREE opportunities are open to coaches working at all levels of the sport and the only requirements are a valid safeguarding and DBS certificate. The days will run from 7.30am-4pm

Each clinic is specifically focussed on inspiring young swimmers through a range of activities across the day. There will be a senior coach who has worked at international level leading each day of the tour, with a maximum of 20 spaces available to coaches at each stop.

This event is a great opportunity to grow your coaching network, hear from World Class Practitioners in the field of Strength and Conditioning as well as Psychology and find out more about how you can maximise the relationship with parents and swimmers. The final and most exciting part for coaches is to hear from an Olympic Champion as they honestly reflect on their journey and the lessons learned.

To attend coaches must have a valid DBS and safeguarding certificate. If you are interested in attending, please book your space through our coaches website here: <https://coaches.aprace.club/cpd/2024-summer-tour/>

If you have any questions, please do not hesitate to contact the team via coaches@aprace.club

Best wishes,
The AP Race Coaches Community
