HELLO!

WE'RE YOUR SPORT WELFARE OFFICERS FOR THE NORTH EAST!

We're part of the national Sport Welfare Officer network funded by Sport England to promote good welfare practice and safer sport for all.

We work alongside key partners to support activity providers, volunteers and staff in our local sports clubs and organisations. We provide free 1:1 support, training and networking, and we help clubs and organisations to champion members welfare and wellbeing.

Creating a safer culture in your club can be so much more than policies and procedures, DBS checks and safeguarding courses – contact us for information, training and support in safeguarding and welfare topics including:

- Mental health awareness
- Neurodiversity
- Challenging inappropriate behaviours through Active Bystander training
- Online safety
- Eating distress
- Youth voice
- Suicide prevention
- Anxiety and stress
- Child Exploitation
- LGBTQ+ inclusion
- Disability sport
- Banter v bullying ...and more.
