

Performance Development Coach – Wear Valley Amateur Swimming Club

Wear Valley Amateur Swimming Club is seeking a Level 2 Performance Development Coach to assist the head coach with the development of swimmers transitioning to competitive swimming.

We offer swimming to eight squads from our new Talent ID followed by Swim England Learn to Swim Level 7 through to County, Regional and National levels. The successful applicant would be a good communicator and be able to work with all swimmers, coaches, parents and volunteers. An enthusiasm for advancing swimming throughout the club would be encouraged. It would be expected that the performance development coach would attend galas.

Key Responsibilities

- Assist with planning the competition calendar and ensure support and attendance of all swimmers
- Plan and follow through, in consultation with coaching staff tailored training programmes across all swim squads in line with LTAD
- Attend regular swimming coaching team meetings to discuss swimmer progress
- Follow the Swim England's Wavepower policies concerning the safeguarding and welfare of children.
- Comply with all Club policies
- Attend relevant training courses and meetings
- Give updates to monthly Committee Meetings where needed
- Ensure positive relationships with all swimmers, parents, coaches and volunteers
